

PRESS RELEASE

Renowned Journalist Troy Anderson Releases Two Timely New Books: "Revelation 911" and "Your Mission in God's Army"

Irvine, CA – Troy Anderson, a Pulitzer Prize-nominated journalist and bestselling author, has unveiled two compelling new books that address urgent topics surrounding faith, prophecy, and current events. "Revelation 911" and "Your Mission in God's Army" offer unique insights and timely perspectives on navigating the challenges of today's world in light of biblical prophecy.

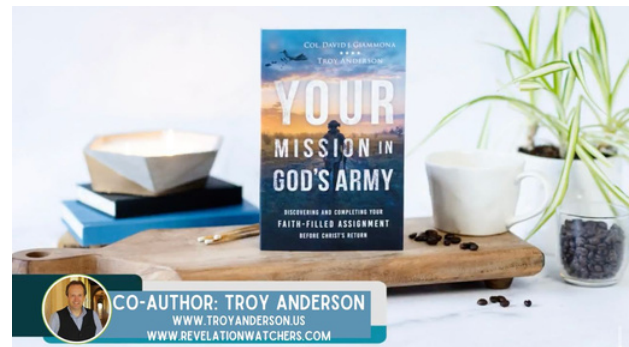

In "Your Mission in God's Army," co-authored with retired U.S. Army colonel David Giammona, Troy Anderson provides readers with a roadmap to discovering and fulfilling their faith-filled assignments before Christ's return. This hands-on manual equips individuals to discern their divine destiny, develop spiritual gifts, walk in supernatural power, and contribute to the end-times harvest with courage and purpose.

Revelation 911: How the Book of Revelation Intersects with Today's Headlines

"Revelation 911," co-authored with biblical prophecy expert Paul Begley, explores how the mysterious Book of Revelation intersects with today's headlines. The book presents a riveting analysis of current events, from plague and famine to artificial intelligence and geopolitical tensions, drawing parallels to prophetic warnings of the end times.
